

# Safety and Routine

Safety of students and patrons is our number one concern.

Please be respectful of staff directing traffic. They are tasked with ensuring everyone is safe and following the routines.

If you need to exit your vehicle to help your child exit the vehicle, please park in the lot and not join the care lane. This will help to keep our traffic moving.

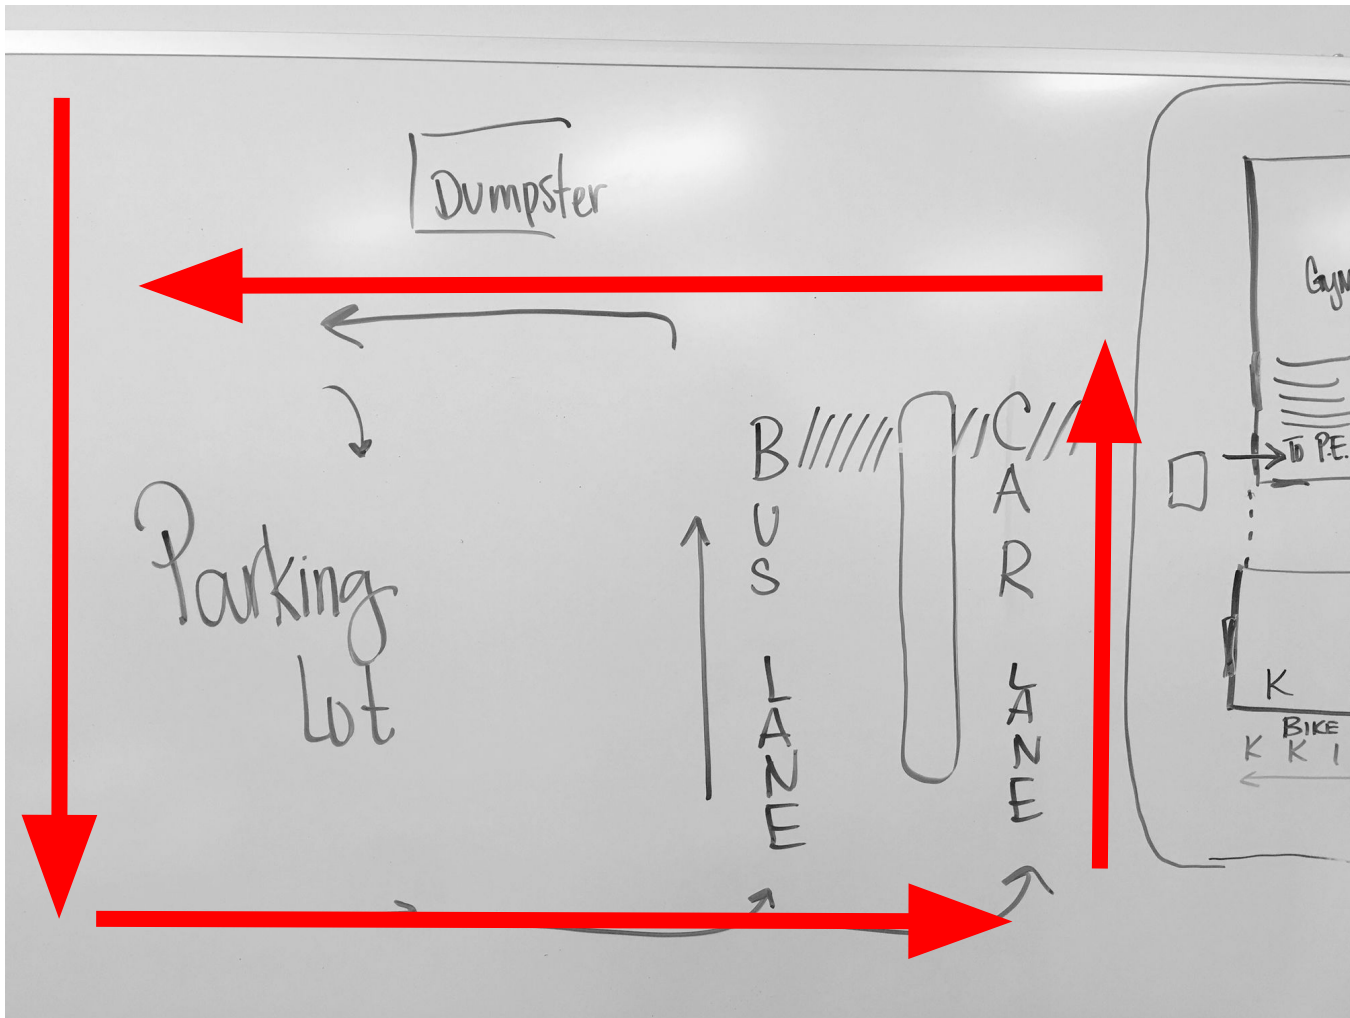

## Parent Drop-Off and Pickup

Passenger vehicles, please use the main driveway by entering the Southernmost entrance.

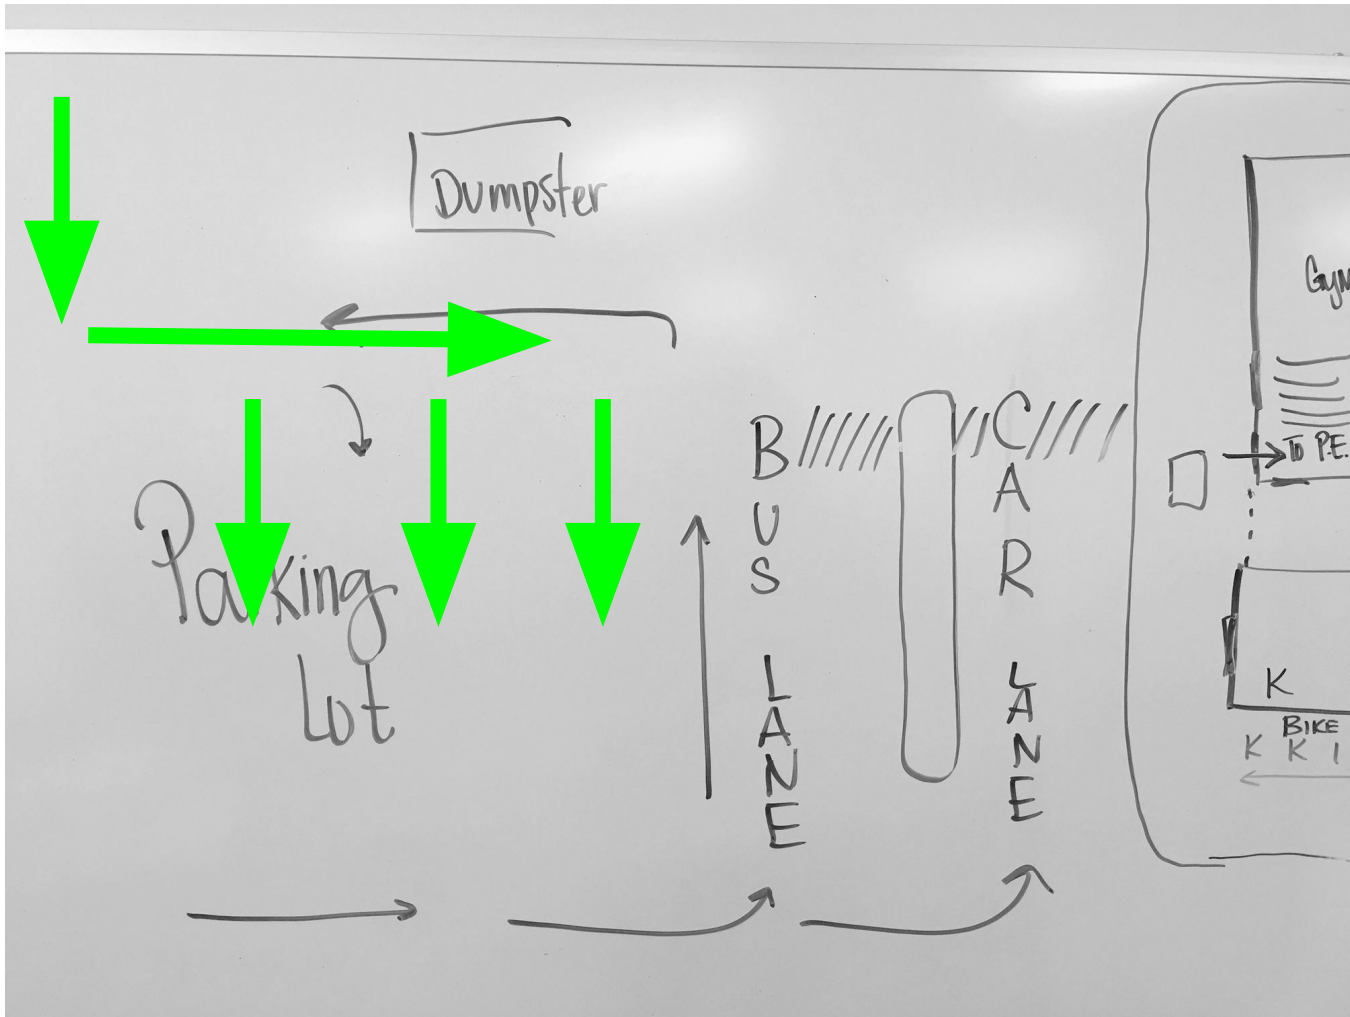

Please pull all the way forward as directed by signs and/or staff before dropping your child off.

Please stay in your lane until after you have dropped your child off.

Remember to merge carefully into the traffic lanes.

# Parent Parking

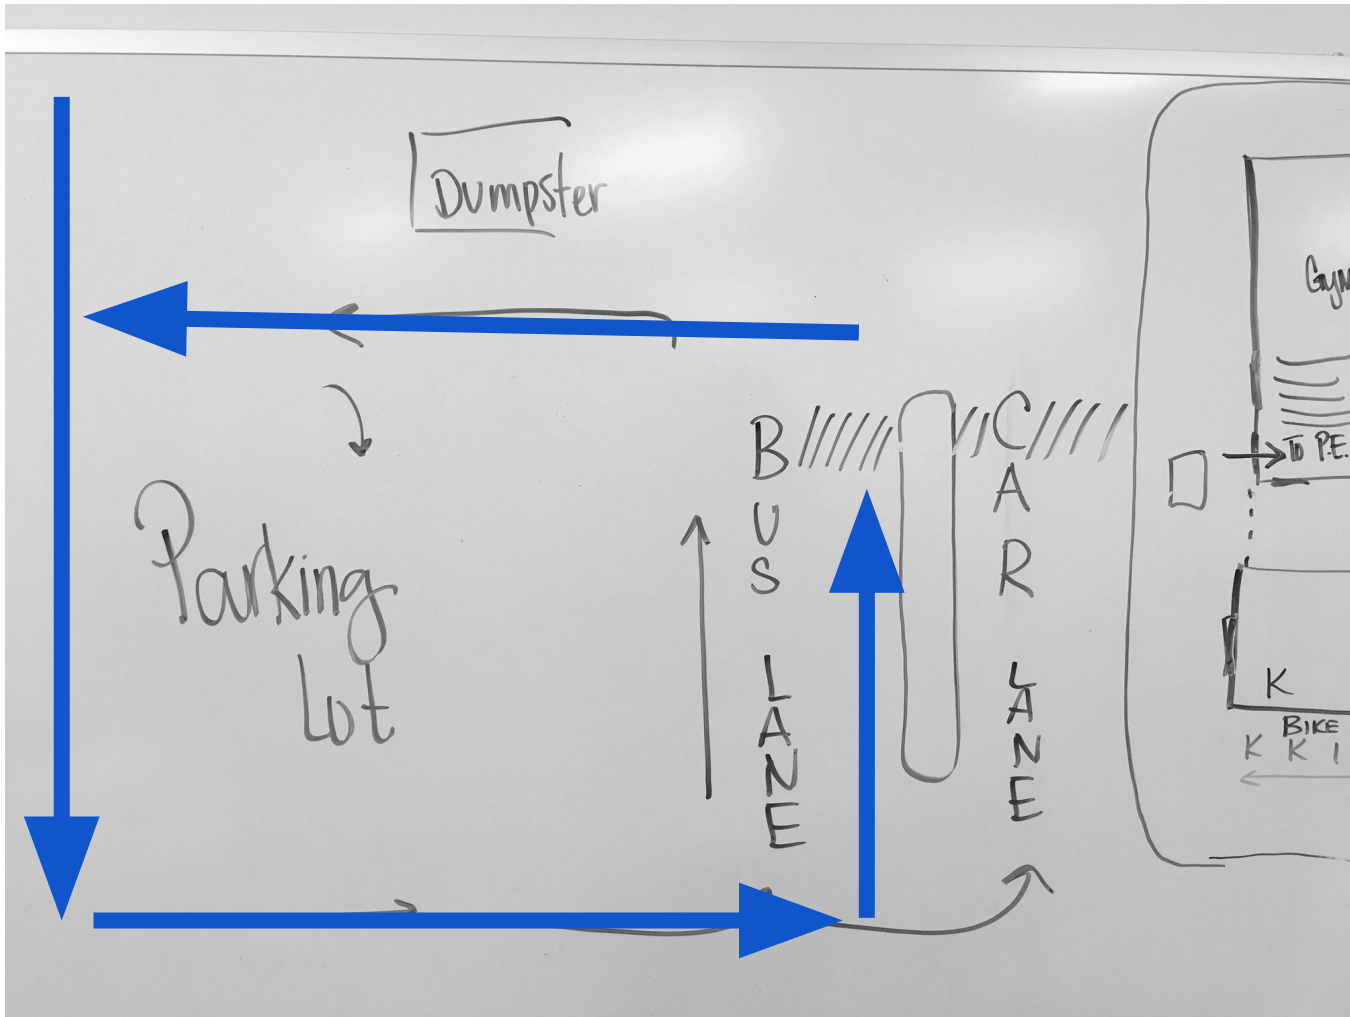

Passenger vehicles, please use the main driveway by entering the Northernmost entrance.

Please find a parking stall in the parking lot and not enter where cars and buses will be dropping students.

Use the sidewalk and crosswalk to walk to the building.

Remember to merge carefully into the traffic lanes.

## Bus Drop-off

Buses will enter the lot at the Southernmost entrance.

Buses will pull into the first parking lane, closest to the building.

All students will remain on the bus until the driver unloads the bus at the flagpole.

Students will cross the traffic lane at the crosswalk.
